NOTICE

An exciting opportunity for the students! An interactive workshop will be conducted by Mr. Tanmay Ghosh, All India Manufacturing Head, The Hindustan Times on "Six Sigma Quality" on 10 December 2016 at 10.30 AM in Autocad Lab. Six Sigma Quality is a productive improvement tool to increase efficiency, reduce wastage and improve profit in the manufacturing industries besides other dimensions.

Students are advised and called upon to attend and participate in this interactive workshop and gain useful tips for proving their suitability and sustainability when they take up their career in Industries.

Attend this workshop in greater number and learn the skills.

S. Shekhar
