Case Name: KWC804  
Name Of College: BHAGALPUR COLLEGE OF ENGINEERING , BIHAR  
Affiliating University: ARYABHATTA KNOWLEDGE UNIVERSITY , PATNA  
Complaint Details:

*Dear sir, I am a 1st year student in bhagalpur college of engineering. Sir, today on 6th sep 2017 we were having usual classes, but in 3rd period seniors entered in class around 30-40 in number and created a terrifying surrounding, there were abusing word, threatening words, all around in air making us weak psychologically. The way they behave and treat us in no less then hardcore criminal and this all happens in a government institution. All though respected principal sir came in between to rescue us, but it will be effective for 2 or 3 days only, we don't have CCTV cameras in class so culprits can't be identified and the air in college is so criminalised that we don't dare to come forward and thus saving ourself. We don't expect security of ourself outside college but being a guardian the college administration must save us from these criminals(2nd year) students. Being a part of govt institution at least the govt should provide us just an essential environment such that we can study in peace and thus can contribute to nation in future. It's my request to you to lodge a complaint in this regard, for this we will be thankful to you. With regards*

The anti ragging helpline has directed us to file a First Information Report (FIR), within twenty four hours of receipt of this information with the police under the appropriate Indian Panel code for physical or psychological humiliation of new students. The above incidence of ragging is disgraceful for us. College Authority, Local Police Administration, Bhagalpur has joined hand together to create a ragging free campus. Students are advised to *stay away from any act of Ragging. If you are indulged in Ragging, You are inviting lifelong pain for you. Please extend helping hand to juniors. Make BCE Bhagalpur Ragging free.*

Therefore, seniors' students are once again advice to think about their own future. Don't spoil your beautiful career. If, you trapped by the police... think about your own prospect as ragging is non bail-able offence under Indian Panel code (IPC).
