Notice

The undersigned is glad to have results of online assessment test report of IIT Mumbai in context of online Examination and online digital learning for courses like C, C++, Java, and Linux. Digital learning technology of IIT Mumbai is helping our students to save them time, and helping them to boost their Grades. I am happy to see that all students have majorly passed with decent scores. Remaining two students who have not passed the test, they can further reappear in the test. Also, new semester is coming ahead, so please make sure to complete the training steps and enroll all students within January first week and training can later on be resumed from your February session. We have also received a letter of admiration from Sri Atul Sinha, Director , Department of Science and technology in this context, which is uploaded on the website for information to all our students vide his letter No- 3187 Dated 27th December 2016.

Our students need a strong intellect to exercise right choice of action to fight against mundane challenges in life. A powerful intellect helps them to conquer challenges of the world and attain the ultimate purpose of life in acquiring knowledge. All teachers and Head of the Department are requested to help the students to get registered for online course of IIT Mumbai. Prof Rituraj and Guarav Singh is contact person for helping students at BCE Bhagalpur for online Registration.

All Good greetings for Happy New Year 2017.
