Notice

Life as a student at BCE Bhagalpur is set in motion with an orientation programme that embraces fresher students into the campus. The foremost objective for conducting an orientation programme is to make fresher students perceive and get a feeling of what engineering is. The programme is also intended to inculcate students with confidence to deal with engineering, confidence which resonates in upcoming years of their career.

The orientation programme this year will be organised for fresher 1st year Students on 16th August 2017, and regular class of 1st semester will start from 17th August 2017. The activities are aimed at easing the students into the new environment and getting the students to know about the BCE Bhagalpur. The Programme includes informal session with senior students of BCE Bhagalpur and the esteemed faculty members of BCE Bhagalpur. Students will also interact with successful BCE Bhagalpur alumni who shared their experiences and success mantra. The alumni also had valuable tips for the students to excel at BCE Bhagalpur. Respective Head of Departments will address the students about activities of the department for nurturing the career of new entrant in BCE Campus.
