Date 09.10.2017

NOTICE

AICTE (All India Council for Technical Education) has notified regulations in January 2014 that every higher technical educational institution, which has completed six years of existence or two batches having passed out, whichever is earlier, is to apply within six months from the date of coming into force the accreditation from NBA (National Board of ACCREDITATION). The accreditation would also facilitate institutions to augment quality, by bench-marking uniform reference points pertaining to academic standards, to acquire international recognition, cross-border and trans-national collaborations.

The heads of the departments are thus advised to prepare the vision and mission of their respective departments in due consultation with their fellow colleagues. The vision and mission must be in conformity with the existing academic climate and be a realistic one, tangible, measurable and achievable.

Please submit the write-up latest by 01 November 2017 to the undersigned.
