Notice

The Department of Civil Engineering, Indian Institute of Engineering Science and Technology, Shibpur is organizing one National workshop exclusively for BCE Bhagalpur Students of Civil Engineering during February 02 – 03, 2018 on "RECENT TRENDS IN GEOMATICS (RTG-2018)".

The interactive workshop aims to expose students, academicians and professionals to the latest technologies of geomatics such as total stations, GIS, GPS, satellite imagery, aerial lidar etc.

In this context, it is requested to 2nd yr, 3rd and final year students of BCE Bhagalpur to grab this opportunity. The entry is limited only to 15 students for attending the aforesaid workshop. Please consult Prof Manikant Mandal, HoD Civil Engineering at your earliest. All participants should fill the registration form available with Prof Mandal.
