**Notice**

To facilitate internships to the students, AICTE has identified organizations/Ministries both in India & abroad. AICTE has recently signed a Memorandum of Understanding (MOU) with Internshala'. It is a platform for free internships. Internshala (<https://internshala.com>) is India's largest internship & training platform with more than four lakh internship listings every year across all streams. It is founded in 2010, by a team of IIT & NIT alumni. Internshala helps students to find internships in more than 40,000 organizations that use the platform to hire interns. More than 400,000 internships are listed on the platform every year in Engineering, Management, Design, Architecture, Law, Applied Arts and other domains. 40% of the interns are offered Pre-Placement offer upon completion of internship, thus helping students in final placements as well. Students are advised to contact Internshala representative Mr. Kishalaya Kumar on [kishalava@internshala.com](mailto:kishalava@internshala.com) and +91 905 084 7917 for more details.
