

Message From Principal, BCE Bhagalpur

Today I have completed two years in the office of Principal BCE Bhagalpur. It's been an incredible ride. Through the ups and downs with beacon of hope and a challenge that I constantly strive to meet. I tried to create positive and supportive environment in the BCE campus with the help of my colleagues in last two years to meet the expectation of our students. I extend my sincere thanks to all of you for your warmth and support.
