Local Police Administration is getting constant inputs that **some anti development elements are working and trying to disturb the college culture.** We inform to all our students about following points for compliance:

- ✓ *Students are advised not to ask any new students of Indian Institute of Information Technology (IIT), Bhagalpur about their credential, and stay away from any act of Ragging.*
- ✓ We came to know that some accommodations outside of college are collection of students of specific caste. **Don't try to involve new students in that ill system.**
