NOTICE

OUTREACH-CUM-FINANCIAL LITERACY PROGRAMME

Friday, May 25, 2018 at 3.00 PM

Venue: AutoCAD Lab

The Office of Banking Ombudsman, Reserve Bank of India, Patna is organizing an Outreach-cum-Financial Literacy Programme at BCE, Bhagalpur. The Programme aims to make the students aware of the Banking Ombudsman Scheme and sensitize them about the hassle-free, effective and cost-free provisions of the complaint resolution mechanism and to encourage them to file a complaint in case they encounter a deficiency in banking service.

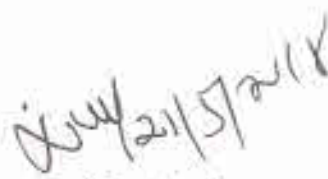

As bank customers, the programme would also help the students understand about fake telephone calls, prize money offers, phishing, etc. and to be vigilant regarding sharing vital information pertaining to your bank account / debit card / One Time Password, etc.

The duration of the programme would be around 1½ hours.

The programme would also comprise a QUIZ with attractive PRIZES to the participants giving correct answers.

REFRESHMENTS would also be served to the participants.
