NOTICE

With reference to the email received from IISTE, Shibpur, a team of six faculty members will visit BCE Bhagalpur on January 15 and 16, 2018 to conduct an audit of existing laboratory equipment and suggest the procurement plan for the purchase of equipment for different laboratories of BCE Bhagalpur.

Further in light of the meeting held on 12.01.2018 in the Institute, the Heads of the Departments together with the faculties concerned are directed to showcase/present the strength of our labs and Human Resources with qualifications through PPT of the respective Departments, clearly highlighting the need-based requirements of instruments/ apparatus for the laboratories. The PPT must also incorporate SWOT analysis of the department concerned that may help the visiting team to assess and recommend measures to strengthen the laboratories/department for scaling up NBA accreditation and starting PG course.

This must be accorded highest priority.
