Resolution of Anti-Ragging Committee

In response to the above complaint, Anti-Ragging Committee of BCE Bhagalpur has investigated the episode of Ragging on 08 August 2018. It has been found that a heated exchange between 3rd year students and 2nd year students took place on some flimsy issues. But the matter was never brought to the notice of the college authority or Anti-Ragging committee. No one has also come forward to support the complaint No ARCC/ BR-4570.

However, in general the students have been warned not to indulge in any such activity that amounts to ragging.

In our Institute, Anti-Ragging Team is always on alert and attentive.
