Start-up Cell Notice

It is for the kind attention of **all the new faculty members** that the success of the Start-up Cell is dependent on cooperation of every stakeholder of BCE, Bhagalpur. In view of this, we are organizing a General Enterprise Tendency (GET) Test. It is **mandatory**.

GET test is used as an educational aid for thinking about enterprise. Decide if you tend to agree or disagree with the statements. There are no rights or wrong answers in this test. It should take you about ten minutes to complete and the report produced will give you an idea of your enterprising potential.

Our motive is to find out the faculty members who are potential entrepreneurs and therefore can mentor and motivate the students to work on their start-up ideas.
